

Examination Lighting - Coolview,Flexible Arm - Mobile

Product Images

Description

FEATURES

- Coolview® CLED30™ provides 30,000 Lux output at 0.5metre
- Ideal for general examination within GP consulting & examination rooms
- The bright white LED light renders skin tones realistically, essential for correct diagnosis
- The ergonomics of the head combined with the flexible, stable arm allows for light & effortless positioning. The sealed construction protects against contamination
- The colour corrected light source with a colour temperature of 4,400°K allows for accurate representation of tissues during examination
- A five-star base allows the light to be easily positioned
- The light head is sealed to IP20, protecting from ingress of dust & moisture
- Uses less than 50 watts of power, & with >50,000 hours of LED life, saving money on energy & maintenance

STANDARD COLOURS

- White
