## eClean™

Next Generation Furniture For the Medical World

## Medical Furniture & Equipment 2023

Founded in 1953, Bristol Maid has been manufacturing and supplying medical furniture & equipment for over 65 years. From design and manufacture to supply and installation, Bristol Maid has a reputation for providing high product quality, excellent customer service and value for money. We take pride in working in close partnership with our customers to deliver effective solutions based on innovative design and technology that will meet the demands of today while anticipating the solutions for tomorrow.

Our highly-trained staff are experienced in every aspect of customer support, from simple product selection to bespoke technical solutions, from on-site audits to complex project management arrangements, according to our customers' needs. Bristol Maid's commitment to quality is based on years of experience working with healthcare professionals in an exacting and regulated environment, and is supported by an ISO 9001:2015 quality management system that is registered with a UKAS accredited certification body.

If you require further assistance, please do not hesitate to contact our Customer Service team who are here to help; or alternatively can arrange for your Regional Sales Representative to visit and help find a solution that best suits your requirements.

## Family Business

Hospital Metalcraft Ltd is a family company. We own our factory, production lines and delivery lorries. We continually invest into our staff and the development of new product ranges.

## Healthcare Focused

With an extensive portfolio that covers almost every discipline, we have solutions to cater for the demands of the healthcare environment.

## Manufactured In The UK

Hospital Metalcraft is proud to be a British manufacturing success story. Strict quality criteria are applied to both the Bristol Maid product range designed and produced within our own manufacturing facility, and complementary equipment from carefully selected partners.

## The Best Quality

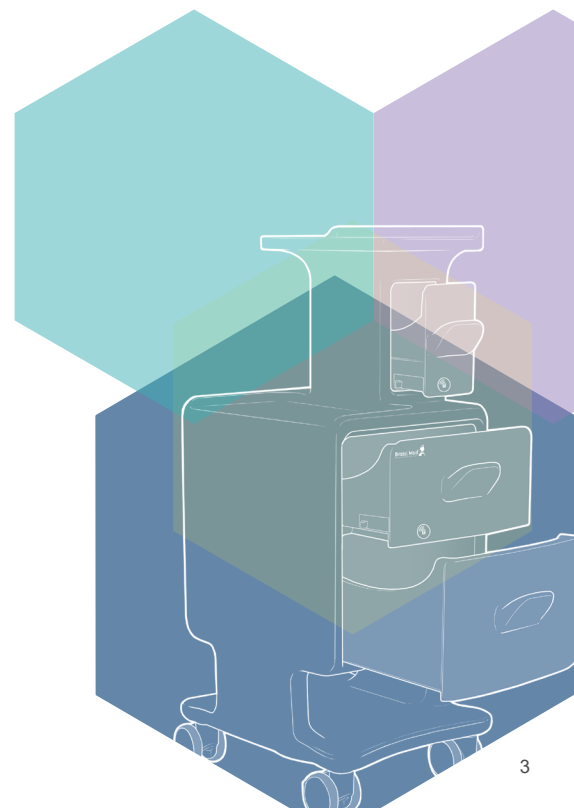

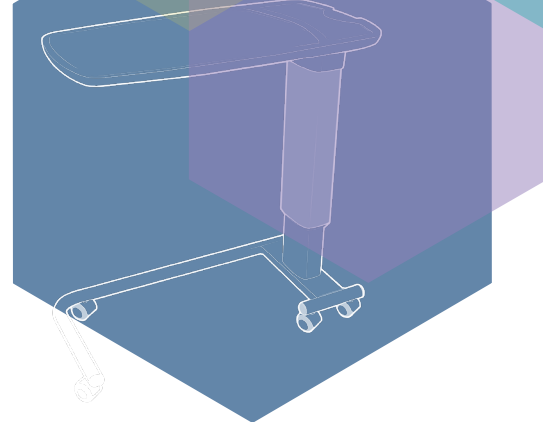

With over 65 years' experience, we are focused on the design and manufacture of high-quality products which will create value for our customers. With a worldwide customer base, the Bristol Maid brand is recognised by many thousands of satisfied customers.

## Approved Supplier

We are an accredited NHS & public sector accredited supplier. This allows you to buy with confidence knowing your requirements for compliant and competitive tendering has already been met.

## Dedicated Support

Our external sales representatives, sales support engineers and our customer service team are here to help you at every stage, from advice with product selection, managing the delivery of your order through to full service and repair support.

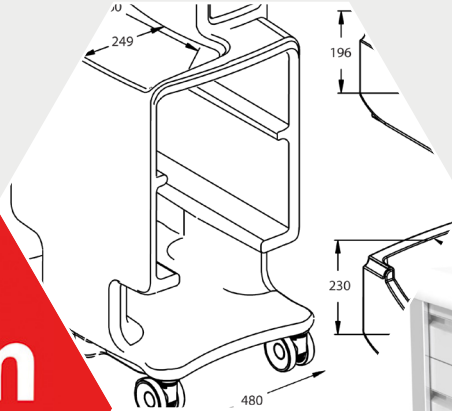

## The History of eClean

The Design Bugs Out challenge was launched with the aim to help reduce Healthcare Associated Infections (HCAI's) by designing hospital furniture & equipment which are quicker & easier to clean.

Working closely with nursing & infection control specialists, pharmacists & patients, we listened to their needs & concerns. After extensive trials, we developed our multiple award-winning Bedside Cabinet.

**Design  
Council**

We were tasked with designing a new bedside cabinet, focusing on enhancing effective cleaning as well as providing a better patient experience.

#### Multiple Award Winning...

- The Horners Award for Plastics Design & Innovation
- The Plastics Award 2010 (Industrial Product Design)
- The Building Better Healthcare Award for Best Product
- Design Guild Mark

**BBH**  
BUILDING BETTER HEALTHCARE

**Design  
Guild Mark**

The eClean Bedside Cabinet was launched & deployed in a number of hospitals around the UK.

Over 10 years later, the eClean range still features within our comprehensive product catalogue. Our focus & dedication has always been the needs of the Healthcare Environment.
