Hospital Metalcraft™ Limited

# Procedure Trolleys & Carts

## Medical Furniture & Equipment 2023

Founded in 1953, Bristol Maid has been manufacturing and supplying medical furniture & equipment for over 65 years. From design and manufacture to supply and installation, Bristol Maid has a reputation for providing high product quality, excellent customer service and value for money. We take pride in working in close partnership with our customers to deliver effective solutions based on innovative design and technology that will meet the demands of today while anticipating the solutions for tomorrow.

Our highly-trained staff are experienced in every aspect of customer support, from simple product selection to bespoke technical solutions, from on-site audits to complex project management arrangements, according to our customers' needs. Bristol Maid's commitment to quality is based on years of experience working with healthcare professionals in an exacting and regulated environment, and is supported by an ISO 9001:2015 quality management system that is registered with a UKAS accredited certification body.

If you require further assistance, please do not hesitate to contact our Customer Service team who are here to help; or alternatively can arrange for your Regional Sales Representative to visit and help find a solution that best suits your requirements.
